Not to be folded or roughly handled

Read the following papers :—

No. 25. From Captain R. F. OAKES, District Engineer; to the Deputy Chief Engineer, Department Public Works, dated Tanjore, 4th October 1861, No. 164.

Public.

I have the honor to forward for sanction an estimate of Rupees 400 for repairing the District Munsiff's Court at Pattukotai which has received the countersignature of the Civil Judge.

Paragraph 102, Chapter V, New Code.

The estimate is forwarded under the Order noted marginally, as it exceeds ¼ of the value of the building as entered in the Dead Stock Account. The building was originally valued at Rupees 384-15-2; but the original valuation has been revised, and the building is now valued at Rupees 600.

2. The walls of the present building are of mud, and the roof is tiled; owing to the thickness* of the walls and the non-supply of arches or other proper supports for the portions of the wall above the doors and windows large cracks have formed in the walls which have shaken the roof considerably, the reepers in the roof are much decayed, and many of the tiles are broken while a few rafters require renewal. A portion of the verandah wall which is exposed to the North East monsoon is much injured by the rain; it is proposed to rebuild this wall with bricks in clay pointed with chunam, to construct arches over the doors and windows with brick in chunam, to provide a brick pavement in lieu of the mud floor, to repair the roof, to supply 2 windows and 2 doors, and to renew some of the verandah posts.

* 2' 4".

3. The work will be undertaken after the monsoon.

No. 10,927.

Submitted to Government under paragraph 1, Clause III, Chapter XXIV of the New Code, with the recommendation of the Deputy Chief Engineer Southern Circle, that the Plan and Estimate amounting to Rupees 400, for repairing the District Munsiff's Court House at Patukotai in the District of Tanjore, may be sanctioned from the general funds placed at the disposal of the District Engineer for expenditure during the current year as the proposed outlay exceeds one-fourth of the present value (Rupees 600) of the building.

Enclosures 5.
1 Orginal letter from the District Engineer, No. 164, dated 4th October 1861.
1 Do. from the Registrar of the Sudder Udalut, dated 12th February 1862.
1 Plan.
1 Specification.
1 Abstract Estimate Rupees 400.

2. The estimate has been countersigned by the Civil Judge at Tanjore, and approved* by the Judges of the Sudder Court. It has been examined and corrected in this Office and the rates therein given are those prevailing in that District, and are not more than that absolutely necessary to carry out the work.

* Dated 12th February 1862
