*Proceedings of the Madras Government, Judicial Department,
8th March 1862.*

No. 75. Read the following letter from the Officer Commanding Jaulnah; to the Adjutant General of the Army, Fort Saint George, dated 18th February 1862, No. 128.

I have the honor to report for the information and Orders of His Excellency the Commander-in-Chief, that Mr. Bosanquet, Civil Service, who was sent here on the 19th December last, to perform the Magisterial duties of re-attesting the European Soldiers, has, by Order of his Government been re-called, vide annexed copy of letter.

2. I shall therefore feel obliged by your favoring me with instructions, as to how the future re-attesting is to be carried on; whether I shall be empowered to send the men from time to time to the nearest Civil Magistrate at Ahmednuggur, distant 110 miles, or whether another Magistrate is likely to replace Mr. Bosanquet. The latter course would be the most advisable, as the hot season and monsoon are both approaching, and marching men then upwards of 200 miles, might prove detrimental to the Public Service.

*Proceedings of the Madras Government, Judicial Department,
8th March 1862.*

No. 76. From Lieutenant Colonel W. G. WOODS, Adjutant General of the Army; to the Secretary to Government, Military Department, dated 6th March 1862, No. 227.

With reference to the latter part of paragraph 2 of the Order of Government in the Judicial Department, dated the 14th February 1862, No. 232, referred to this Department under date the 18th ultimo, I have the honor by Order of the Commander-in-Chief, to state for the information of Government, that the Officer Commanding Hyderabad Subsidiary Force, has reported that Mr. Boswell, extra Assistant Commissary is the only Officer empowered under the Orders of the Government of India, for attesting European Soldiers volunteering for General service at Secunderabad, and this Gentleman is now absent, on 3 months' privilege leave.

2. Brigadier Browne considers that there should always be two authorized persons for the purpose of re-enlisting Soldiers at Secunderabad. In this opinion Sir H. Grant fully concurs, and recommends that the Supreme Government may be moved to nominate a second.

3. I am to observe, that when delay takes place in paying men bounty when their first term of service has expired, they are very apt to get disgusted and apply for their discharge.

Transferred to the Judicial Department, with reference to Proceedings in that Department, No. 232 of the 14th ultimo, in view to the necessary application being made, by first Steamer, to the Government of India.

FORT SAINT GEORGE,
7th March 1862.

(Signed) H. MARSHALL, Colonel,
Secretary to Government.

No. 77. To the Secretary to the Government of India, Home Department, dated Fort Saint George, 8th March 1862, No. 397.

2. With respect to Hyderabad, I am desired to state that Brigadier Browne, considers that there should always be two authorized persons for re-enlisting Soldiers at Secunderabad, and further that His Excellency Sir Hope Grant fully concurs in this opinion.
