N°. 45

From H. A Brett Esqre
Collector of Salem.

To W. Hudleston Esqre
Secretary to the Board of Revl

Sir,

I have the honor to acknowledge the receipt of the Board's Proceedings, dated the 23d Instant, N°. 1322, forwarding a copy of the Government Order, dated 22d February 1862 N°. 387, calling for a report in the matter referred to by the Advocate General in his letter to the Chief Secretary to Government, dated the 5th February 1862.

2. It appears, from the Board's Proceedings, that they have submitted to Government, since the receipt of the

in any part of the country.

Salem Collectors Office
Salem 28 Feby 1862.

/ Signed / H. A. Brett
Collector.

Ordered to be submitted to Government, with reference to their order quoted by the Collector.

2. The action for ejectment is, as stated by the Advocate General, a tissue of fictions from beginning to end, and there is no reason to doubt that the change in the Plaint from the Pollaem itself to the "thousands of acres &c &c" was intended to obviate the objection to the Court's jurisdiction in the matter of this Pollaem and to apply to the small extent of private "Kummatum" lands which may eventually prove to be personal property and not an appanage of the Poligar's Office and part of the Polipet.

3. The Board, however, understand that the suit in ejectment has been abandoned in favor of the suit in equity recently instituted.

4 The letter of the Court to which the Advocate General objected as no sufficient authority has been followed up by an order submitted to Government on the 3d March 1862.

5. If the Advocate General wrote under the impression that the letter in question was a private or demi-Official one, he is acting on a wrong assumption.

6 The Board have no reason to suppose that any such practice prevails any where in the Mofussil Courts at the present time.
