Proceedings of the Madras Government, Judicial Department, 11th January 1862.

Read the following papers:—

No. 66. From Captain C. S. HEARN, Acting Inspector General of Madras Police; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 24th December 1861, No. 2,158.

General Department.

With reference to the accompanying copies of letters from Major Saxton of the Topographical Survey, and the Deputy Inspector General of Police Northern Range, I have the honor to solicit the sanction of Government to the advance of Rupees 799-3-6, therein requested.

2. This is an advance of 3 months' net pay to the Detachment of the Ganjam Armed Reserve escorting the Officers of the Topographical Survey in the Hill country beyond Russellcondah. The advance will be adjusted on the settlement of the monthly Pay Bills.

3. Since Mr. Forbes, the Governor's Agent in Ganjam, considered that this party might well be spared, I did not hesitate to grant it. But I request instructions as to the payment of the men while so employed. It appears to me that their cost should be defrayed by the Topographical Survey Department. Should Government so decide, the money can be recovered on Bills to be presented by the Superintendent of Police, Ganjam.

From Major G. H. SAXTON, Assistant Surveyor General in charge No. 3 Topographical party, Ganjam and Orissa Survey; to the Divisional Inspector General of Police, Northern Division, dated Cuttack, 1st October 1861, No. 412.

I have the honor to request that a party as per margin may be placed at my disposal for escort duty with 9 detached parties surveying in the Khond Hills during the approaching cold season. I was not aware that the Ganjam Sibundies had been incorporated with the new Constabulary, or I would have addressed you before this, any delay in furnishing these guards will be attended with most vexatious hindrance to my work, and entail expense to Government, and I therefore most pressingly request that you will kindly do every thing in your power to ensure their being in readiness to march from Russellcondah not later than 25th December. I shall be obliged if you will inform me as soon as possible, whether this requisition can be complied with. The Governor's Agent in Ganjam has informed me, that he has communicated to you my application made to him.

From Lieutenant T. E. TENNANT, Deputy Inspector General of Police, Northern Range; to the Acting Inspector General, Madras Police, dated 18th December 1861.

Vide letter, No. 412.

On the 1st of October 1861, Major Saxton, Assistant Surveyor General of the Topographical Survey Department of the Orissa Hill Tracts, applied for a Detachment of the Ganjam Armed Reserve to escort parties of Surveyors into the Khond Hills.

2. Agreeably to your communication, No. 1,705, dated 26th October 1861, I addressed a letter to the Superintendent of Police, and requested him to ascertain from the Governor's Agent of Ganjam, whether Major Saxton's requisition could be met consistently with the interests of the District.

Proceedings of the Madras Government, Judicial Department,
11th January 1862.

3. From the Superintendent's letters* herewith enclosed for perusal, it appears that Mr. Forbes is willing to sanction the measure, and a guard as per margin† will be detailed to accompany Major Saxton's party which has already left Cuttack.

4. As the guard are likely to be absent on the Hills for some months, the Superintendent of Police and Major Saxton have requested the Collector to advance the sum of Rupees 799-3-6, as transmitting money into such tracts is impracticable.

5. I have therefore the honor to request, you will obtain the sanction of Government for the advance necessary, and orders as to how the payment of the Detcahment whilst thus employed, shall be debited.
