MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

Memorandum from the Adjutant General of the Army, Fort Saint George, 18th March 1862, No. 211.

The Commander-in-Chief has the honor to submit for the Orders of Government the accompanying correspondence relative to the retention of his appointment by Captain Henry Leslie Grove, of the Staff Corps, Superintendent of Mofussil Police, during the extended leave for five months granted to him by the Right Honorable the Secretary of State for India, in the Despatch published in G. O. G. 31st January 1862.

From the Personal Assistant to the Inspector General of Mofussil Police, Madras, 15th March 1862, No. 540; to the Adjutant General of the Army, Fort Saint George.

Referring to your letter No. 5254, dated 26th November 1861, I have the honor to forward an original letter received from Captain H. L. Grove, dated 4th January 1862, stating that the object of his former application was the retention of his appointment for the period of twenty months under the new Staff Corps rules, and enclosing a Medical Certificate.

2. Captain Grove having been Gazetted to the Staff Corps on the 13th December 1861, the latter part of his letter requires no notice.

From Captain H. L. Grove, Chichester, Sussex, 4th January 1862; to the Inspector General of Mofussil Police, Madras.

I have the honor to acknowledge the receipt of your letter, No. 1931 of the 27th November 1861, and to inform you that on presenting my Medical Certificate at the India Office, London, the extension of five months leave was at once granted. The object of my former letter to you was to request the Government of Madras would be pleased to allow me, in this extension of my leave, to enjoy the privilege of twenty months' leave without loss of appointment, which is granted to Officers under the new Staff Corps rules.

I furthermore would beg you to represent to the Madras Government that up to the present date, I have not heard of my having been appointed to the "Staff Corps," although my application to be allowed to do so was despatched from the India Office last August. I am therefore led to suppose that some misapprehension with regard to my wishes may have arisen, in consequence of my having asked for five months more leave.

I certify that Captain Henry Grove is under my care, and is suffering from nervous exhaustion with tendency to congestion of the brain.

Under these circumstances, I consider that an immediate return to India would probably be very prejudicial to him, and I recommend that an extension of leave for three months at the least, should be granted to him.

(Signed) GEORGE HILBERS, M. D.

112, KING'S ROAD, BRIGHTON.

Sir Ranald Martin recommended I should have 5 months' leave.

(Signed) H. L. GROVE, Captain.

ORDER, No. 1107, 25th March 1862.

Communicated to the Judicial Department, there being no objection in the Military Department, to Captain Grove's application being complied with.
