To the Judicial Department.

Extract from a letter from the Government Pleader, Sudder Adalut, No. 32 of the 7th March 1862, to the Chief Secretary to Government.

Paragraph 26. I have prepared a paper containing the grounds on which I conceive the attachment should not be proceeded with, this I have the honor to enclose, and I recommend it should be forwarded to the Government Vakeel at Chicacole, with an authority from Government authorizing him to appear before the Court of the Principal Sudder Ameen on behalf of the Secretary to Government in the Military Department and to present objections to the requirement of the Principal Sudder Ameen, as shewn in his letter to such Secretary, dated the 25th October 1861, No. 337, being further proceeded with, and to take such other steps in the matter as may be necessary or expedient.

27. I would further recommend that the Government Vakeel at Chicacole should be instructed to apply for a copy of the record in that O. S., and that a copy (or, if in a vernacular, a translation) should be forwarded to Government.

28. Should the attachment be proceeded with, I can advise further on hearing precisely what course has been pursued.
