*Proceedings of the Madras Government, Judicial Department,
10th April 1862.*

No. 74. Read the following letter from Lieutenant Colonel J. OUCHTERLONY, Acting Deputy Chief Engineer N. C. ; to Lieutenant Colonel W. H. HORSLEY, Secretary to Government, D. P. W., Fort Saint George, dated Chepauk, 31st March 1862, No. 228.

I have the honor to submit herewith for sanction an Estimate amounting to Rupees 2,680, for constructing 2 Police stations combined with a Sub-Magistrate's Cutcherry respectively at Narsamapettah, and Sooradah, in the District of Ganjam.

Enclosures 4.
1 Estimate.
1 Plan
2 Telegrams.

2. The Collector of the District in question originally desired that Magistrates' Cutcherries should be built as well at the two localities named as at Ganjam, but on referring the matter to Mr. Forbes for reconsideration, that gentleman decided, as will be seen by his Telegram enclosed, that at present it will only be necessary to apply for sanction for buildings at Narsamapettah and Sooradah.

3. I requested the Collector to communicate on the subject of the plan of these buildings with the Inspector General of Police who was at the time in the North, and the result was that I was requested so to arrange as that a Magistrate's Office should be under the same roof as the Police stations which Government have sanctioned throughout the Provinces.

Enclosure.

* Enclosure.

† Rupees 2,680.

4. The Plan now submitted, together with the Estimate, was accordingly dispatched for Mr. Robinson's consideration, and as that gentleman has in a Telegram dated 26th instant,* communicated his entire approval, I beg leave to recommend that early sanction may be given for the expenditure,† in order that the buildings may be commenced at once; the cost being defrayed out of the Budget allotment for Police buildings.

Referred to the Judicial and Revenue Departments, the buildings in question being for Sub-Magistrates' Cutcherries and Police Station Houses combined.
