Proceedings of the Madras Government, Judicial Department,
11th April 1862.

No. 79. Read the following letter from R. COLE, Esq., Principal Inspector General, Medical Department; to the Honorable T. PYCROFT, Chief Secretary to Government, Judicial Department, Fort Saint George, dated 4th April 1862, No. 70.

Consequent on the occupation of the European Jail at Ootacamund by numerous Prisoners, it becomes necessary to ask the sanction of Government to the appointment of a First Dresser on a salary as per margin, and I would beg to recommend that sanction be at once accorded, and that permission be given to include the cost in a Supplemental Budget, as several Prisoners have arrived, and it is very desirable that a Medical Subordinate should be attached to so important a Jail.

No. 80. ORDER THEREON, 11th April 1862, No. 579.

The Government observe that a revised Estimate, 1862-63, for the general European Prison at Ootacamund was recently forwarded to the Government of India—that in it no provision was made for a Medical Officer or Subordinate specially for the Convicts—and that the Inspector General of Jails, in submitting the Estimate, stated that the Dresser of the old (Native) Jail could attend to this also.

Financial Department, 24th February 1862, No. 165.

2. Mr. Cole is requested to state whether this arrangement could not be carried out, or whether an additional Dresser is really required.
