Proceedings of the Madras Government, Judicial Department,
17th April 1862.

No. 140. Read the following Proceedings of the Sudder Court, dated 21st March 1862, No. 43.

Read letter, dated 10th instant, from the Session Judge of Bellary, stating that he is convinced that all endeavours to improve the Police and render them efficient for the detection of crime, must be unavailing so long as Taluq Magistrates are appointed, as at present, without any precaution being taken to ensure that they understand the nature of the duties they have to perform; and that it is highly desirable that Candidates for such offices, should be required to pass an examination in the Vernacular of the District, in the Law of Evidence as contained in Kindersley's Manual, the Code of Criminal Procedure and Rules of Practice, and the Indian Penal Code.

1. The Judges conclude that all Subordinate Magistrates of the 2nd class, being Revenue Officers, must necessarily be acquainted with the Vernacular of the District.

2. The Judges concur with the Session Judge that it is desirable that Subordinate Magistrates of the 2nd class should undergo an examination in the other subjects specified, and will bring the matter under the consideration of Government.
