PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue, dated 9th December 1861, No. 6,849 :—

Read again letter dated 20th July 1861, No. 168, from the Collector of North Arcot.

(In Cons. 23rd July 1861, No. 4,594.)

Read also the following letters from the same Officer, dated 13th August and 18th October 1861 :—

Letter dated 13th August 1861, No. 198.

1. I have the honor, with reference to the Board's Proceedings dated 31st July 1861, No. 4,109, to state that none of the other Bungalows in this District are sufficiently frequented by Travellers to make it worth while to keep up at them extra menial establishments.

2. If it be decided to act on my recommendation, and to replace the Bungalow at Palmanair on its former footing, or otherwise dispose of it, I would beg to propose that the crockery, &c., now in it be transferred to the Bungalow at Putúr, the point up to which the Cuddapah railroad has been, or is about to be, opened. The lower occupation fee might then be charged, as would be done in the Chittoor Bungalow in the event of the extra establishment there being discharged, and its being re-placed under the charge of a pensioned Sepoy and Sweeper.

Letter dated 18th October 1861, No. 255.

I have the honor, with reference to my letter of the 13th August last, No. 198, to report for the information of the Board that I have, in anticipation of their sanction, discharged the extra establishment that was attached to the Palmanair Bungalow, as well because the receipts go no way towards meeting the changes, as because after several unsuccessful experiments, it has been found impossible to procure for the wages offered, a set of decent and well behaved servants to put in charge of it. I have accordingly re-placed the Bungalow in charge of a pensioned Sepoy ; and as the crockery, &c., still remain in it, have directed that the lower occupation fee be levied from Travellers until such time as I am favored with the Board's instructions on the subject.

---

1. Resolved that the letters above recorded be submitted for the orders of Government.

2. Owing to the abandonment of the Palmanair road by Travellers since the opening of the Railway to Tripatore, the Collector recommends that the extra menial establishments employed at Chittoor and Palmanair be dismissed ; that the former Bungalow be re-placed on its old footing with a pensioned Sepoy and Sweeper to look after the crockery and furniture ; and that the latter be sold, or converted into a Moonsiff's Court House in lieu of the present building, which is altogether unfit for the purpose. In another letter, he suggests that the crockery, &c., of the Palmanair Bungalow be transferred to Putúr on the Cuddapah and Madras road, the point up to which the North West Railway is about to be opened, and that the lower occupation fee be charged to Travellers who may make use of the Bungalow.

3. The Board approve of the above propositions, and recommend them for the sanction of Government.

4. In the last of the letters recorded at the head of these Proceedings, the Collector reports having discontinued the extra establishment at Palmanair in anticipation of the sanction of Government.

ORDER THEREON, 7th January 1862, No. 14.

1. Under the circumstances stated, the Government sanction the discontinuance of the extra establishment at the Travellers' Bungalow at Chittoor and Palmanair, as also the re-placement of the former Bungalow on its old footing with a pensioned Sepoy and Sweeper. The crockery, &c., at Palmanair will, as suggested, be transferred to Putúr, where the occupation fees will be charged to Travellers according to the rules.

2. The question of the conversion of the Bungalow at Palmanair to a Court House for the District Moonsiff will be considered in the Judicial Department.
