Proceedings of the Madras Government, Judicial Department,
10th May 1862.

No. 83. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Ootacamund, 24th April 1862, No. 219.

I have the honor to bring to the favorable notice of Government the conduct of Abdool Khader, convicted of the attack on Brigadier Mackenzie and sentenced on the 22nd April 1856, to 14 years' imprisonment and, subsequently, of escape, with aggravating circumstances, from the Jail at Masulipatam, whereby he incurred the sentence to five years additional imprisonment.

2. The Sessions Judge of Cuddalore, to the Jail at which place the Prisoner had been transferred, takes the opportunity of his further transfer to Trichinopoly, to recommend him for three years remission of his accumulated sentence, in consideration of his uniformly good conduct, especially in the performance of his duties as Hospital Orderly, more particularly during a late outbreak of cholera, "when," to quote the Zillah Surgeon, "sufferers of all castes, by night "or day, received the kindest treatment from him."

3. I think that considering that in addition to the original sentence two years of the additional sentence will remain, the Prisoner may in recognition of his good conduct receive the mercy solicited.

No. 84. ORDER THEREON, 10th May 1862, No. 772.

The Inspector General of Jails is requested to state by what Court the original sentence was passed, and what led to the Prisoner being confined at Masulipatam. He will also forward to Government any papers connected with the Prisoner's case which may be on record in his Office.

(Signed) A. J. ARBUTHNOT,
Acting Chief Secretary.

Rxd. T. O'Connor.

No. 772 – 10 May 1862

The Inspector General of Jails is requested to state by what Court the original sentence was passed & what led to the prisoner being confined at Masulipatam. He will also forward to Govt. any papers connected with this case which may be on Record in his office.
