Proceedings of the Madras Government, Judicial Department,
16th May 1862.

No. 112. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to the Government of Fort Saint George, dated Ootacamund, 8th May 1862, No. 248.

In acknowledging the receipt of the Order of Government, dated 29th ultimo, No. 683, requesting to be informed whether the expense of attaching a Dresser to the European Prison can be met from the revised Estimate 1862-63 for that Jail, I have the honor to state that no provision was made therein for any Medical allowance, as it was then understood that there were a full complement of Subordinates at the Dispensary here. I have in letter,* dated 19th February 1862, submitted to Government that the Medical Subordinate of the old Jail might do duty at the new under the impression that one of the Medical Subordinates had this duty assigned to him.

*No. 78.

2. I am by no means anxious that a Dresser should ordinarily do duty in the European Prison though on extraordinary occasions one may be necessary. The Budget Estimate would not allow of the salary of a Dresser being paid from it.

No. 113. ORDER THEREON, 16th May 1862, No. 793.

The Principal Inspector General, Medical Department, is requested to state what will be the precise amount required for the rest of the current Budget year, for the pay and batta of the First Dresser, in the event of one being attached to the General European Prison at Ootacamund from the 1st June.

(Signed) A. J. ARBUTHNOT,
Acting Chief Secretary.
