No. 118. Read the following letter from Lieutenant Colonel J. CARPENDALE, Acting Deputy Chief Engineer, Central Circle; to Lieutenant Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Chepauk, 1st May 1862, No. 7.

I have the honor to submit a Plan, with an Estimate amounting to Rupees 755, for constructing a Cookroom and a Godown for the Deputy Jailor recently attached to the Penitentiary: for putting up three new zinc trunk, to conduct the water from the terrace of the head Jailor's house, constructing a new drain to the building adjoining the Deputy Jailor's house, and making repairs to the drain between the old and the new buildings, also some small repairs to the Jailor's house.

Enclosures 11.
1 Letter from the District Engineer Presidency, No. 2,716, dated 24th March 1862.
1 Do. No, 1,759, dated 11th December 1861, with two enclosures.
1 Do. from the Commissioner of Police, No. 634, dated 26th December 1861.
1 Plan.
1 Estimate Rupees 755.

1 Estimate Rupees 557.
1 Specification.

2. I also submit another Estimate amounting to Rupees 557 and accompanied by a Plan for building a Stable and a Coach house for the head Jailor outside the Jail premises. It has hitherto been customary for the Jailor to keep his Pony in the yard where the out-offices are, and his Coach in the covered gateway of the Jail, but the Medical Officer considers it objectionable that the Pony should be kept inside the Jail premises, and as the Commissioner of Police is of opinion that the Jailor's duties in attending at the several Police Courts necessitates his keeping a Pony, the District Engineer was directed to send a Plan and Estimate for a suitable shed.

3. What he has prepared and is now submitted is a substantial structure in the style that public buildings are usually erected for Government, and which will probably be the cheapest course in the long run, but it is a good Coach house and a Stable for one horse, rather than a shed.

4. The Plan and Estimate have been approved of by the Commissioner of Police and by the Barrack Master. The Estimate has been corrected in this Office; and in submitting it for sanction, I beg to observe that the only funds from which the amount can be made available is the reserve fund of next year.

Referred to the Judicial Department, for consideration.

(Signed) W. H. HORSLEY, Lieut. Colonel,
Secretary to Government P. W. D.
