Proceedings of the Madras Government, Judicial Department,
16th May 1862.

No. 122. Read the following letter from Major W. J. WILSON, Commissioner of Police; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 10th May 1862, No. 49.

I have the honor to forward for the favorable consideration of Government a Medical Certificate signed by Doctor Aitken in which he recommends the discharge of Convict Veerasawmy Chetty from the Penitentiary on account of his health.

2. The said Prisoner was convicted at the Third Criminal Sessions in 1860 of receiving stolen property, and the period of his imprisonment will expire on the 4th July next.

I do hereby certify that Veerasawmy Chetty, under sentence of 24 months' imprisonment in the Penitentiary, has been repeatedly under treatment for Dyspepsie, and latterly for Dropsy and general Debility during the last 4 months. Upwards of 22 months of his confinement have expired; and as his health is at present in a precarious state, I think that any aggravation of his complaint would in all probability prove fatal. I would, therefore, recommend his release from prison as affording the only hope of his recovery.

Assistant Surgeon, in Medical charge
Penitentiary.
