Proceedings of the Madras Government, Judicial Department,
19th May 1862.

No. 128. Read the following letter from Lieutenant Colonel A. C. PEARS, Officiating Post Master General; to T. PYCROFT, Esq., Chief Secretary to Government, Public Department, Fort Saint George, dated 16th April 1862, No. 7,567.

I have the honor to request that you will be good enough to move His Excellency the Governor in Council, to direct that the old Court house at Salem, together with that occupied by the Moofty be made over to this Department for permanent occupation as a Post Office. Mr. W. Hodgson, the Subordinate Judge of Salem, has been addressed on the subject of the building being made available for the purposes of this Department. I am happy to state that he not only sees no objection, but appears anxious that the sanction of Government should be obtained, permitting the building being made over at once, I need hardly observe that Salem is fast growing in importance from its being the centre of so many arrivals and departures of mails by rail and runners.

No. 129. ORDER THEREON, 19th May 1862, No. 803.

Before sanctioning the arrangement proposed in the foregoing letter, the Governor in Council desires that the Civil and Session Judge of Salem will ascertain from the Post Master General which of the buildings formerly used as Court Houses is referred to by Lieutenant Colonel Pears, and that he will then report whether the building in question can be conveniently spared with reference to the general plan sanctioned in the Proceedings of Government under date the 26th ultimo.

2. The Post Master General will also be requested to state what superficial area will be secured to the Post Office in the event of the building for which he now applies being assigned to his Department in addition to the Court House of the Moofty Sudr Ameen, as compared with the space which would be allowed in the event of a new Post Office being built.

(Signed) A. J. ARBUTHNOT,
Acting Chief Secretary.
