Memo.

The general rule of the Budget System is that Savings in the grant for the year may be applied towards any charge, not included in the Estimate, provided it appertains to the same Head of Expenditure.

Two exceptions were made to this rule—

I. Salaries of Cov: Officers are given in full in the Estimate—but the portions undrawn are credited to the "Civil Services Absentee Fund", & under that head are appropriated to the charges payable from the Fund, viz, Deputation Allowances to Cov: Officers—& Salaries of Uncov: Servants applied to Cov: Offices temporarily.

Madras Pros: 10th June '61 No. 290.

II. Other* undrawn Salaries are not to be applied for contingent expenditure—only ordinary casual savings may be so applied.
