PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From the Inspector General of Mofussil Police, Madras, 23rd April 1862, No. 837; to the Chief Secretary to Government, Fort Saint George.

With reference to the accompanying letter* from the Superintendent of Police, Godavery District, to the Deputy Inspector General Northern Range, I have the honor to request that distinct instructions may be issued as to whether men from the Army, who, after one year's probation in the Police, as permitted by the General Orders, may elect to remain in the Police service, will be allowed a free discharge. Several, specially Europeans, whose term of probation is nearly at an end, are seeking information on this point.

*No. 315, General Department, dated 10th April 1862.

2. I beg to recommend that the indulgence may be conceded. The men are continuing to do the service of the Government in a profession no less useful to the interest of the State, than the duties of Military calling.

From the Superintendent of Police Godavery District, 10th April 1862, No. 315; to the Deputy Inspector General Northern Range, Vizagapatam.

I have the honor to request you will be good enough to move the Inspector General of Police to obtain a distinct order, regarding the discharge of men from the Army after they have served one year in the Police, as to whether they will be allowed their discharge without paying for the same or not.

Referred to the Military Department.

(Signed) T. PYCROFT,
Chief Secretary.

28th April 1862.

ORDER, No. 1740, *13th May* 1862.

It is observed that this question was negatived, after full consideration, in Proceedings in the Military Department, No. 867, dated 25th January 1860. His Excellency in Council sees no reason to modify that decision.
