PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant-Colonel J. CARPENDALE, Acting Deputy Chief Engineer, Central Circle, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Chepauk, 2nd May 1862, No. 46:—

SIR,

1. With reference to the Proceedings of Government No. 712, dated 8th April 1862, I have the honor to forward a letter received from the District Engineer Presidency, explaining that the cause of delay in carrying out the improvement to the Constable's Quarters and Thannah station in Oodacall Street was owing to the purchase of the site not being effected by the Commissioner of Police till the 25th of September 1861. The ground was then taken charge of, and the old building cleared away, when it was found requisite to prepare supplemental estimate as some of the walls on which new out-houses were proposed to be built, were of fragments of bricks in clay. One of the walls was also found to be out of the perpendicular, which necessitated a provision for its re-construction in the estimate.

1 Letter from the District Engineer Presidency, No. 2,992, dated 17th April 1862.
1 Do. No. 2,791, dated 8th February 1862.

2. The amount estimated to be recovered by the sale of old materials was not realized to the full extent, and on the 1st February 1862 the District Engineer submitted a fresh estimate. Certain references had to be made to him, and finally the application for additional sanction was made by this Office on the 1st April last.

ORDER, 7th May

1. Under the explanation now afforded the Government sanction the supplemental estimate amounting to Rupees 474, submitted by the Acting Deputy Chief Engineer, Central Circle, with his letter No. 12,147, dated 1st April 1862, for the work noted in the margin.

Thannah Station in Wodeal Street.

2. The work will, as suggested by Lieutenant-Colonel Carpendale, be executed from the General Funds at the disposal of the District Engineer Presidency.

(True Extract.)

W. H. Horsley, Lieut.-Colonel,
Secretary to Government.

To the Acting Deputy Chief Engineer, Central Circle.
