Proceedings of the Madras Government, Judicial Department, 3rd June 1862.

No. 11. Read the following Memoranda :—

No. 547.

OFFICIAL MEMORANDUM.

Political Department.

With reference to Proceedings of Government, Judicial Department, dated 30th April 1862, No. 698, the Officiating Civil Pay Master has the honor to point out that as the sanction of Family allowances to a European Non-Commissioned Officer drawing a monthly salary of upwards of Rupees 75 is contrary to the Rules laid down in the Military Pay and Audit regulations, the confirmation of the Supreme Government to the above order is necessary. Further instructions are requested, if it is the wish of Government that the charge should be passed by this Department in anticipation of the sanction of the Government of India.

Offg. Civil Pay Master.

No. 12. No. 633.

OFFICIAL MEMORANDUM.

In reply to Memorandum No. 136 of this date, the Officiating Civil Pay Master has the honor to state that there is no Budget provision for the Family allowance of Serjeant Jones, Warder of the Ootacamund Jail; nor is such provision needed in the Budget of the Madras Presidency, as the charge will, if sanctioned by the Government of India, be passed against "I. Adjusted charges of other Governments" being debitable to General Government of India. The allowance in question amounts to Rupees 12-8-0 per month, or 150 per annum.

FORT SAINT GEORGE,
CIVIL PAY MASTER'S OFFICE,

To the Chief Secretary to Government.

No. 13. ORDER THEREON, 3rd June 1862, No. 867.

The Civil Paymaster is authorized to pass the Family allowance of Serjeant Jones, Warder of the Ootacamund Jail, pending the receipt of the sanction of the Government of India, which has been applied for.

(Signed) A. J. ARBUTHNOT,
Acting Chief Secretary.

No. 14. To the Secretary to the Government of India, Home Department, dated Fort Saint George, 3rd June 1862, No. 868.

In fixing the rates of salaries of the Warders of the European Prison at Ootacamund, it was the intention of the Madras Government that the Civil pay should be in addition to whatever the Warder might be entitled as a Soldier—that the Warder should draw his full receipts under all heads in the Military Department, and receive his Civil salary in addition to them.

2. European Non-Commissioned Officers and Soldiers are entitled, besides pay and allowances, to family allowance as per scale in the margin, but under the Military Code, when their personal pay and allowances, consolidated or otherwise, amount to Rupees 75 per mensem, they cease to draw family allowance.

Wife, if European	5-0-0
Do. if East Indian	3-8-0
For each legitimate child ...	2-8-0

Proceedings of the Madras Government, Judicial Department,
3rd June 1862.

3. Under this rule, the Civil Paymaster states that the regulated family allowance cannot be passed to Serjeant Jones, Warder of the general European Jail, whose total receipts exceed Rupees 75, unless the Orders of this Government exempting the Warders of the Ootacamund Jail from the operation of the rule, are confirmed by the Government of India, and I am directed accordingly to request that the necessary sanction may be granted. The office of Warder for the European Jail at Ootacamund is an important one, demanding peculiar qualifications and the case should be regarded as special. The Civil Paymaster has been authorized to pass Serjeant Jones' family allowance pending the receipt of the Orders of the Government of India.

4. There is no provision in the Budget for Serjeant Jones' family allowance, which amounts to Rupees 12½ a month—nor, as the Civil Paymaster has informed the Government, is such provision needed in the Budget of the Madras Presidency, as the charge will, if sanctioned by the Government of India, be passed against "I. Adjusted Charges of other Governments" being debitable to the General Government of India.
