*Proceedings of the Madras Government, Judicial Department,
5th June 1862.*

No. 35. Read the following letter from Lieutenant Colonel J. OUCHTERLONY, Acting Deputy Chief Engineer Central Circle; to Lieutenant Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated 19th May 1862, No. 743.

1 Letter from the Inspector General of Jails, No. 241, dated 5th May 1862.
1 Plan.
1 Estimate.
1 Specification.

Government in Proceedings No. 568 under date 7th May 1860, upon a Minute recorded by Sir Charles Trevelyan, ordered that an estimate should be prepared for certain improvements proposed by His Excellency to the Jail at Guindy.

2. This estimate having been prepared was submitted to the Inspector General of Jails for his approval; but as will be seen by the accompanying letter from Mr. Rohde, he does not accord it for the reason that the existing building is not worth the expense contemplated.

3. In this view I concur, but to enable Government the better to form a correct judgment in the matter, I have the honor to submit herewith the estimate in question amounting to Rupees 6,000 accompanied by a plan of the Jail on which the proposed improvements are exhibited.

Referred to the Judicial Department for consideration with reference to the Orders in that Department, No. 568, dated 7th May 1860.

(Signed) W. H. HORSLEY, Lieut. Colonel,
Secretary to Government Public Works Dept.
21st May 1862.

No. 36. ORDER THEREON, 5th June 1862, No. 879.
The Inspector General of Jails will report, with reference to the objections urged by him against adding to the Guindy Jail, and adverting to his remarks that the Jail has been unhealthy of late, whether he is of opinion that it should be abandoned as a prison.
