Proceedings of the Madras Government, Judicial Department,
11th June 1862.

No. 63. Read the following letter from H. A. MANGLES, Esq., Acting Deputy Auditor and Accountant General; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 28th May 1862, No. 42.

Budget and Finance Department.

1. I have the honor to submit, herewith, copy of a letter from the Clerk of the Crown and of its enclosure, being a Supplemental Budget Estimate for 1862-63, on account of Pension and Contingencies amounting to Rupees 780, which he states were omitted to be provided for in his original Budget Estimate by an oversight.

2. Mr. Norton requests that early sanction may be obtained to enable him to draw the pensions, &c., the Officiating Civil Paymaster having refused to pass the charges in question.

3. In the present instance I would beg to suggest that the Civil Paymaster be authorized to pass the pension of Rupees 52½* per month omitted to be provided for by the Clerk of the Crown, to the head F. VII, under which provision is made to the extent of Rupees 76,088,† on account of "gratuities to discharged public servants," an item which appertains to the same Budget head as pensions. This provision of Rupees 76,088, appears to be very large, as will be seen from the note in the margin,‡ as compared with the Actual of 1860-61, and the Estimate of 1861-62, and I doubt not that there will be a large saving in the item in question.

4. The other item, viz, Rupees 150 per annum omitted to be provided for, can be met from the provision made under F. III Law and Justice, on account of Servants and Contingencies of the office of the Clerk of the Crown amounting to Rupees 3,168. Of this sum Rupees 3,000 is on account of charges for taking copies of depositions of witnesses for prosecution before the Magistrates and fee, &c., for Counsel for conducting prosecution; Mr. Norton having stated in his letter naming the above sum of Rupees 3,000 as his Estimate, that the amount will not exceed Rupees 3,000 for the four Sessions and may possibly be less.

At the time the original Budget was prepared and forwarded by me, the pension payable in my Department and the contingent charges and also my fees were not included in my original Budget.
