No. 74. Read the following letter from Colonel JOHN IMPETT, Sheriff of Madras; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 9th June 1862, No. 18.

I have the honor to forward a letter* received from the District Engineer Presidency, and to request that orders may be given to the proper authority to have a Pacally sent to the Grand Jail, for the purpose of supplying water from the Seven-wells, during such time that water cannot be supplied in the usual way.

From Lieutenant Colonel H. W. HITCHINS, District Engineer Presidency; to the Sheriff of Madras, dated 7th June 1862, No. 396.

Owing to the desertion of the Pecottahmen attached to the Seven-wells water works, water cannot be supplied at present for the use of the Grand Jail, I have therefore the honor to request you will be good enough to adopt such steps as to ensure a supply of water from the Seven-wells by Pacalleys or Cawdies as is usually done while the Pipes are under repair.

No. 75. ORDER THEREON, 12th June 1862, No. 906.

It is presumed that the Commissary General is alluded to in this letter as the "proper authority" to furnish a Puckally for the Sheriff's Jail. If so, Colonel Impett will be informed that the Commissariat has ceased to be the Department of supply to Civil Departments.

2. His Excellency in Council authorizes the supply of water on contract to the Sheriff's Jail, as long as it may be necessary. Colonel Impett will state what will be the expense at a daily or a monthly rate, in view to the charge being sanctioned by the Government.
