I have the honor to submit herewith an Estimate amounting to Rupees 1,600 for making certain alterations and improvements to the Guard Room, Waiting Shed, &c., for the Mounted Police at the Royapettah Police Court, and for enclosing the compound attached to it with a proper hedge to prevent the commission of nuisance and trespass.

2. The Estimate has been framed in pursuance of the requisition of the Senior Magistrate, Colonel Colbeck, made through the Barrack Master, and the work which it provides for appears very necessary.

No. 100. From Major W. J. WILSON, Commissioner of Police; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 6th June 1862, No. 59.

Letter from Acting Deputy Chief Engineer, Centre Circle, dated 29th May 1862, with a letter from the District Engineer Presidency, dated 20th May 1862, with an enclosure.
1 Plan.
1 Estimate.
1 Specification.

I have the honor to return the papers respecting the proposed improvements to the Waiting Shed for the Mounted Police at the Royapettah Police Court, and to state that I consider that these improvements are very desirable.

2. I observe that Colonel Hitchins states in the 3rd paragraph of his letter, that he does not agree with Colonel Colbeck in thinking that the accommodation of the Piquet should be more private; but on referring to Colonel Colbeck's own letter, it appears that he recommended the Doors and Venetians as a protection from the sun and rain, and did not raise the question of privacy as far as I can see.

No. 101. ORDER THEREON, 16th June 1862, No. 926.

The Government sanction the estimate for Rupees 1,600, sixteen hundred Rupees, for altering and improving the Waiting Shed and the Guard Room of the Mounted Police at the Royapettah Magistrate's Court.
