*Proceedings of the Madras Government, Judicial Department,
27th June 1863.*

No. 252. Read the following letter from P. GRANT, Esq., Collector of Coimbatore; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Coimbatore, 15th June 1863, No. 48.

1. In their Order of 4th November 1862, No. 1,807, Judicial Department, Government authorized the removal of the Taluq Cutcherry at Caroor to a Government Chuttrum there, the present Taluq Cutcherry being in future used as a Chuttrum open to all classes, and the alterations and additions to the former building sanctioned in a subsequent order are now being executed. On their completion the Tahsildar's Cutcherry will be removed to it.

2. The Civil Judge of Coimbatore has now forwarded to me a proposition from the District Moonsiff of Caroor, to the effect that the building at present occupied by the Tahsildar be converted into a Court House and the present Court House, into a Chuttrum, for the reasons that the present Court House is insufficient to afford accommodation for the Vakeels, suitors and other parties.

3. The Sub-Collector to whom the subject was referred, recommends the adoption of the District Moonsiff's suggestion, and states that by this arrangement the convenience of the travellers will be best consulted, and that the extra expense to Government will be very trifling. I therefore request the sanction of Government for the proposed exchange.

4. The Tahsildar estimates the cost of the necessary changes to the Moonsiff's Court in converting it into a Choultry, at Rupees 100, and that of converting the Cutcherry into a Court House, including the raised seat and rails at Rupees 70.

5. Copies of letters from the Civil Judge and Sub-Collector as noted in the margin, as well as the rough plan of the present Court House, are forwarded for the information of Government.

From the Civil Judge, dated 1st May 1863, No. 53, with translation of the District Moonsiff's Urree.
From the Sub-Collector, 27th May 1863, No. 21.

No. 253. ORDER THEREON, 27th June 1863, No. 1,007.

The Governor in Council authorizes the removal of the District Moonsiff's Court at Caroor into the present Talook Cutcherry when it has been vacated by the Tahsildar, and the conversion of the present Court House into a Chuttrum for the use of travellers.

2. Orders will be passed in the Public Works Department for making the necessary alterations and repairs to the two buildings successively.

Secretary to Government.

Sir,

In reply to your letter No 267 of the 6th Instant, I have the honor to return the original correspondence received with it, and to state that I would recommend the adoption of the Baroor District Municipality's suggestion to give him the present Salook Culcherry area Court House, and to convert the present Court House into a choultry. The convenience of Travellers will thus be best consulted, for the reasons specified by the District Municipality, and the

extra expense the Government will
be very trifling.

2. From the enclosed copy
of the Caroor Tahsildar's opinion
on the subject, you will observe
that he estimates the necessary
changes to the Munsiff's Court
in converting it into a Choultry,
at Rupees 100, and that he modifies
the alterations suggested by the
Munsiff which would cost
Rupees 200. The cost of altering
his Choultry into a Choultry the
Tahsildar estimates at 50 and the
cost of converting the Choultry
into a Court House including
the raised seat and rails as the for

by the Munsiff at Rupees 10.
3. The proposed choultry,
whether in the building occupied
now as the Court House or the
Choultry, will consist of 2 Halls,
neither of which would be appro-
- priated to Brahmans, whose
accommodation is amply pro-
- vided for in two other choultries
at Maroon

4. Both the present Choultry
and Court house are built of
brick in chunam, and tiled, the
value of the former being estimated
at Rupees 1500 and that of the
latter at Rs 1000. The latter is
certainly the better adapted for

From
The Sub Collector
to the Collector of
Muzaffargarh.

As a letter from the
Collector of Muzaffargarh
15th June 1883 No. 48.

Translation of an Aryee addressed to the Civil
and Session Judge of Muzaffargarh by the District
Munsiff of Baran dated 21st April 1883.

I beg leave to state that I
have previously addressed Aryees to the
Court for making certain repairs to my
Court house and for erecting a raised
seat with railings. Mr. Fakhir the Sub
Munsiff of this place, gives me to
understand that an estimate of
200 Rupees has been sanctioned to
carry out only the proposed repairs, and
that they will be commenced in a
month as soon as the materials
are got ready.

This Court has no verandah,
or porch at all round except on the
East and South side of it, where is
there are verandahs, and they are
hardly sufficient to accommodate
the Pakeels and parties, who are thereby
subjected to great inconvenience and
annoyance.

I am given to understand
that sanction has been received to
repair the Government Choultry

near the Public Bungalow outside the town, and convert it into Talook & Butcherry, appropriating for a Choultry the Building opposite to my Court to the north, in which, the Talook Cutcherry is now held. The Choultry near the said Bungalow is now under repair.

The building in which the Talook Butcherry is at present held, is a spacious one, and if my Court be transferred to that place it will provide sufficient accommodation to the Vakils and others, besides being conducive to the convenience of the Public. Some days ago I suggested to the late Sub Collector Mr. St. Clair that as that building is situated in a central position where 4 streets meet, and as for a Choultry, it has no backyard or ground attached thereto for the handies to stand, the same may be made a Court house, and as the building of the Court, which is to the south of the road, has ground

all round with a well thereon to serve the purpose of backyard, and to give room for the handies to stand and to erect additional buildings, the same may be converted into a Choultry, at the same time shewing to him the accompanying plan which provides means for easily converting the Court house into a Choultry. He then said that the matter may be considered when the Talook Cutcherry is transferred to the Choultry.

The Sub Overseer informs me that if measures be taken to convert the Butcherry into a Choultry or to execute the repairs of the Court house, there will be some difficulty in getting the Cutcherry for the Court house; that if I were to apply before the work commenced my request will be complied with, and that the raised seat and railings may then be erected in the Cutcherry to be made a Court house. If that building be given over for the use of the Court

8-
it appears to me that there would
be no necessity to execute the repairs
of the Court house, and thereby the
amount sanctioned would be saved.

I therefore request the Court
will be pleased to recommend
to the Collector to make over the
Cutcherry for the use of the Court
before the work is commenced
appropriating the Court house for
a Chantry.
