1 Abstract Estimate.

I have the honor to submit an estimate of Rupees 370, for repairs to be executed to the Moonsiff's Court House at Tritrapoondy and to request the sanction of Government for the same.

2. The estimate was prepared at the request of the Acting Civil Judge. The roof of the building being much out of repair, and the Acting District Engineer having solicited early orders, as some of the work cannot be carried out conveniently except during the adjournment of the Court, instructions have been sent to that Officer to attend to such portions of the work as are urgently needed to the building, in anticipation of sanction.

3. In the Dead Stock accounts of the Tanjore District the building is valued at Rupees 1,318, and the sum of Rupees 2-2-9 is reported to have been spent on repairs to it in 1859-60.

Referred to the Judicial Department.
