*Proceedings of the Madras Government, Judicial Department,
27th June 1863.*

No. 266. Read the following letter from J. ROHDE, Esq., Inspector General of Jails;
to A. J. ARBUTHNOT, Esq., Chief Secretary to the Government of Fort Saint
George, dated Rajahmundry, on Circuit, 22nd May 1863, No. 15.

I have the honor to request that you will inform me of the intentions of the Government
in respect of the Zillah Jail required at the station of Vizagapatam.

2. I need not say that the re-occupation of the basement of the old factory, as a Jail, is
out of the question, so unhealthy is the place; the prisoners have been well in tents, to which
they were again moved in January last having lost about a tenth of their number, not from any
epidemic, in the previous month, this being the third time within about a year that the abandon-
ing of the Jail was necessary.

3. I would recommend a small Jail like that proposed for Ganjam on a site about a mile
from the town, which I named to Captain Chambers, a little west of Gollapollam.

4. Temporary sheds for the prisoners will be necessary during the monsoon, the materials
of the cooking sheds in the old Jail had been removed at my desire by the Assistant District
Engineer to the new Jail site, since, I believe, abandoned, but, pending the question, had not
been erected.

No. 267. ORDER THEREON, 27th June 1863, No. 1,015.

His Excellency the Governor in Council approves of the Inspector General's proposal to
build a small Jail at Vizagapatam to take the place of the present Zillah Jail, which must be
abandoned on account of its unhealthiness. Orders will be issued in the Public Works Depart-
ment for the preparation of a plan and estimate in communication with Mr. Rohde.

Secretary to Government.
