I have the honor to submit for the orders of Government, plan and estimate of Rupees 1,470 for repairing the Sub-Magistrate's Cutcherry at Tiruporur in the Madras District, and for converting a portion of it into a Subsidiary Jail.

2. The Collector, under whose instructions the estimate has been prepared, and by whom it is also signed, reports that the Cutcherry is almost uninhabitable;

and that as some repairs must consequently be undertaken, it is desirable that the alterations required to adapt a portion of the building, for the safe custody of short sentenced prisoners, as contemplated in the Proceedings of Government, No. 1,150, dated 21st July 1862, Judicial Department, should be carried out at the same time. The Inspector General of Police approves of the arrangements proposed for his Department, and I therefore recommend that the estimate may be sanctioned for execution from the Reserve Fund.

3. Should a division of the expenditure for the above work be considered necessary, I am of opinion that  $\frac{3}{4}$ ths or Rupees 1,102 $\frac{1}{2}$  should be charged to the Revenue Department and  $\frac{1}{4}$ th or Rupees 367 $\frac{1}{2}$  to the Police Department.

Referred to the Judicial Department.
