*Proceedings of the Madras Government, Judicial Department,
10th July 1863.*

No. 92. Read the following letter from CHARLES W. READE, Esq., Magistrate of South Arcot; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Pemrootty, 27th June 1863, No. 31.

I have received the Proceedings of Government of date the 16th June 1863, No. 1,563, communicated for my information.

2. I am afraid the expenses attending the maintenance of either a Steam or hand Dredge will be beyond the means available to the Municipal Funds of old Town Cuddalore; at all events, pending the result of the recent Notification by Government on the subject of the introduction of the Act XXVI of 1850, I have requested the Superintending Engineer of the 6th Division not to send me a Dredge. It will be time enough when the Municipal Act comes into operation and when we shall be in a position to judge how far the cost can be met from the proceeds of the Municipal taxes compatible with the more immediate sanitary wants of the town and its suburbs.

No. 93. ORDER THEREON, 10th July 1863, No. 1,106.
Communicated to the Public Works Department.

(Signed) J. D. SIM,
Secretary to Government.
