*Proceedings of the Madras Government, Judicial Department,
10th July 1863.*

Read the following papers:—

No. 98. Proceedings of the Board of Revenue, dated 20th February 1863, No. 1,032.

Read the following letters:—

From J. W. B. DYKES, Esq., Collector of Nellore; to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Viruru, 5th February 1863, No. 28.

In accordance to the Proceedings of the Board, under date 10th ultimo, I do myself the honor to submit a list of villages to be transferred to Nellore from the Madras District.

2. This list has been drawn up by the Deputy Collector Shama Row, from information received on the spot, and is, I believe, correct; but to prevent the possibility of mistakes, I have furnished copy to the Acting Collector of the Madras District, and requested that Officer to intimate direct to the Board whether any villages named in the list do not fall within a line drawn from the north end of the Kazis Inam to the mouth of the creek that separates Janakeram's Chuttrum in the Madras District from Ramapuram, the southernmost village of the Venkatagiri Zemindary in this District.

3. Should the list prove to be correct, I beg that the Board will be pleased to obtain the requisite publication of the transfer in the "Fort Saint George Gazette" as soon as possible, and that instructions may be issued for the accounts to be handed over to the Sub-Magistrate of Poluru, whom I propose to place in revenue charge of the villages, as Deputy Tahsildar under the orders of the Tahsildar of Guduru.

4. If the accounts are handed over within the course of the current month, I should be able to make the Jamabandy of the new villages in continuation of the Jamabandy of the Guduru Taluq, which would be in every way desirable.

5. Whilst as regards the immediate object of the transfer, I am happy to be able to inform the Board, that a leading Ryot in Venád has taken up the contract to complete the dyke on either side of the Island of Venád; and with the assistance promised by the Zemindar of Venkatagiri, and the command thus obtained of labor whether in the Zemindary villages or those held direct of Government, there is, I trust, every hope of completing the work successfully. The work was about to commence when I last heard from Cumili Narayanasamy, the Deputy Collector.
