*Proceedings of the Madras Government, Judicial Department,
10th July 1863.*

No. 104. Read the following letter from G. R. SHARPE, Esq., Acting Registrar of the High Court of Judicature at Madras; to J. D. SIM, Esq., Secretary to Government, Judicial Department, dated Madras, 6th July 1863, No. 72.

1. I am directed by the Judges of the High Court to suggest a change of the stations at which, under the Government Notification of 10th June 1862, the Judge of the Small Cause Court of Chittoor now holds his sittings.

2. Those stations are Chittoor, Arcot, and Calastry, the first named being the head-quarters station, in place of which the Judges suggest that Vellore, Tripaty, and Palmanair should be substituted—Vellore becoming the head-quarter station, as being the most important and populous town in the Zillah.

3. This change is advocated by the late Acting Civil Judge Mr. Blair, the present Civil Judge and the Small Cause Court Judge at Chittoor, as well as by the Acting Collector of North Arcot.

4. In any circumstances Calastry must be abandoned, for the Acting Collector reports that there is "no building either public or private available there for the Court of Small Causes;" while on the other hand at Vellore and Tripaty there is ample public accommodation, and at Palmanair a suitable house can be rented for Rupees 35 a month during such time as it may be necessary for sittings to be held there.

No. 105. ORDER THEREON, 10th July 1863, No. 1,111.

The Governor in Council agrees with the Honorable the Judges in thinking that Vellore and Tripaty are preferable places to Arcot and Calastry, for the sittings of the Small Cause Court, but has doubts about substituting Palmanair for Chittoor. He requests that further information may be afforded as to the reasons, which have led to Palmanair being recommended as one of the stations. Palmanair, it is believed, is but a *small* village, and at one end of the District.

(Signed) J. D. SIM,
Secretary to Government.
