Proceedings of the Madras Government, Judicial Department,
16th July 1863.

No. 176. Read the following letter from R. COLE, Esq., Principal Inspector General Medical Department, Fort Saint George; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Judicial Department, Fort Saint George, dated 15th July 1863, No. 149.

I have the honor to submit an extract from a communication* from the Surgeon 1st District, with my recommendation that the improvements suggested in Her Majesty's Jail may receive the sanction of Government.

* Dated 14th instant.

"The whole curtain of some of the arches between some contiguous wards in Her Majesty's Jail has been knocked down, and I beg to recommend that the same be done with the others. I also have the honor to urge the introduction of roof-ventilators in the upper wards, and in the privies. In the latter they are especially needed, as even with the few now resorting to one I visited this morning, it was shockingly offensive."

No. 177. ORDER THEREON, 16th July 1863, No. 1,157.

Referred to the Public Works Department for the issue of the necessary orders.

(Signed) J. D. SIM,
