two-thirds to be paid in advance as usual. The Vessel will be ready to receive them within a fortnight, and the Agents are desirous to know the decision of Government at an early date, to reserve space for the parties in question.

From the Master Attendant in charge of the Marine Superintendent's Office, Madras, 15th July 1863, No. 1804; to the Secretary to Government, Military Department, Fort Saint George.

I have the honor to acknowledge receipt of Proceedings of Government of yesterday's date, and to report, that the Agents of the *Barham* offer to afford passage
**Six in number.* to England for the Convicts* at £45 each, and also for one Insane at £60.

2. The Controller of Military Finance has been informed of this, as directed in the 2nd paragraph of the order under acknowledgment.

With Report from the Controller of Military Finance, 16th July 1863, D.

ORDER, No. 2357, 20th July 1863.

The Governor in Council is not aware what measures have been taken by the Master Attendant (in charge of the Superintendent Marine's Office) for obtaining Tenders for the conveyance to England of the Details referred to in the foregoing correspondence; but the fact that only one Vessel has tendered, leaves no alternative but to accept it, or to detain the Details for an indefinite period.

2. Under the circumstances, the tender of the *Barham* is accepted.

3. The Governor in Council would, however, call attention to the orders passed on the 15th December 1862, No. 4285, for giving full and timely publicity of the requirements for tonnage, with the view of securing the advantage of open competition.
