*Proceedings of the Madras Government, Judicial Department,
24th July 1863.*

No. 233. Read the following letter from Captain O. W. S. CHAMBERS, R. E., Superintending Engineer, 1st Division; to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Waltair, 13th July 1863, No. 434.

I have the honor of submitting to Government an estimate, amounting to Rupees 8,400, for the construction of a Court House and its offices at Berhampore.

1 Plan.
2 Estimates.
1 Specification.
1 Letter from Captain Philipps, No. 121.

2. The plan has met with the approval of the Judge, Mr. Knox, it is in my opinion a decided improvement upon the plan previously rejected by that Officer.

3. The building is solidly designed, and the rates, which, for reasons that have been reported to Government, are somewhat in excess of those previously conformed with, very low in comparison with nearly every other District in the Presidency.

4. Captain Philipps requests that the amount of the estimate, Rupees 8,400, may be granted to him from "Reserve," that he may construct the building during the present official year at the same time as the Jail is being erected.

5. If this amount be available it would be well to accede to his request, as it is evident that, if the two works proceed simultaneously, superintendence may be economized, and, to a much lesser degree, building materials.

From Captain C. G. PHILIPPS, Executive Engineer of Ganjam; to Captain O. W. S. CHAMBERS, R. E., Superintending Engineer, 1st Division, dated Berhampore, 3rd July 1863, No. 121.

In compliance with the Order of Government, No. 578, dated 17th April last, I have the honor herewith to submit a fresh plan and estimate, for the Court House proposed to be built at Berhampore, which has been prepared after communication with the Civil and Sessions Judge of Chicacole.

The estimate amounts to Rupees 8,230, which sum I trust will be granted from the Reserve Fund, in the current year, as I shall experience no difficulty in completing it together with the Jail before the 30th April next, if sanction is only speedily accorded.

I may mention that the greater part of the material for the new Jail is collected, and work going on as expeditiously as the rainy season permits.

Referred to the Judicial Department.

CHEPAUK, 22nd July 1863.

Secretary to Government.

No. 234. ORDER THEREON, 24th July 1863, No. 1,193.

2. The work should be commenced with as little delay as possible; the charge being met from the Reserve Fund.
