Proceedings of the Madras Government, Judicial Department, 27th January 1863.

No. 162. Read the following letter from K. KELLOO NAIR, Principal Sudder Ameen of Calicut; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Judicial Department, Fort Saint George, dated Calicut, 16th December 1862, No. 296.

I have the honor to report for the information of His Excellency the Governor in Council, that one Arrakel Lonen, a Native of Cochin and resident in Calicut, died intestate at the latter place on the 21st September 1861, leaving personal property as per accompanying Inventory, which was taken charge of by the late Officiating Subordinate Judge.

Enclosure No. 1.

2. It will be observed from the Inventory that the deceased owned an unfinished house* at Chaliet, in Shernad Taluq, which was sold on the spot immediately after the Estate had been taken charge of by the Court, because the cost of keeping it for the space of one year would in all probability have absorbed the amount that might have been realized by its sale at the end of that period. The lot of wood, No. 26, in the Inventory, which was secured in the aforesaid building was likewise sold at the same time, as its transit to Calicut, would have cost much more than it was worth.

* No. 25 in the Inventory.

Net amount realized by the sale of the unfinished building, and lot of wood mentioned in the Inventory, Rupees 268-8-10.

3. An advertisement requiring the heirs of the deceased, or any person entitled to receive charge of his effects, to attend for the purpose within 12 months, was issued on the 27th November 1861, and as the period limited therein expired on the 27th ultimo, and no party having appeared to receive charge of the property, I have the honor, under Clause 7th, Section XVI, Regulation III of 1802, to request the order of His Excellency the Governor in Council for further proceedings in this matter.

4. I take this opportunity to solicit the instructions of Government regarding the real property indicated in the margin and mentioned in the list of the deceased's effects furnished by the Reverend Luiz D'Conceiçao of Calicut, under whose protection the deceased was from his infancy and by whom the moveables were made over to the Court. No charge was apparently taken by the Officiating Sub-Judge of the abovementioned immoveable property, probably from the circumstance of the Regulation under which the Estate of a person dying intestate is taken charge of, not containing any provision regarding realty.

No. 163. ORDER THEREON, 27th January 1863, No. 120.

His Excellency the Governor in Council authorizes the sale by public auction of the unclaimed property described in the Inventory, and remaining unsold, and directs that the proceeds, with the cash in deposit, be carried to account.

2. In regard to the real property referred to, His Excellency in Council observes that it should have been taken charge of by the Zillah Court under Clause 5, Section XVI, Regulation III, 1802, for disposal eventually as an escheat under Section VI, Regulation VII, 1817.
