*Proceedings of the Madras Government, Judicial Department,
29th July 1863.*

No. 281. Read the following letter from ROBERT COLE, Esq., Principal Inspector General Medical Department, Fort Saint George; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Public Department, Fort Saint George, dated 22nd July 1863, No. 154.

Adverting to my letter, No. 74, dated 18th April last, I have the honor to forward a communication, in original, from the Acting Inspector General of Hospitals, dated 12th instant, in explanation of an omission in his report on the Calicut Jail, submitted with my letter above adverted to.

From J. SHAW, Esq., Acting Inspector General of Hospitals; to the Secretary to the Principal Inspector General Medical Department, dated Bangalore, 12th July 1863.

It is with much regret I observe by the Proceedings of Government, 25th June, No. 1,002, recently received, that I have through an omission in my report, lead the Principal Inspector General into an error regarding the ventilation of the Calicut Jail on its sea-face.

I have referred to my report and cannot explain how no mention is there made of the sea-face ventilation unless one of the draft sheets of the report was mislaid when it was being copied out.

That I was well aware of this circumstance as shown in the 9th paragraph of a letter† to the Sessions Judge of Calicut of the 27th March last—"9th. I do not overlook how admirably the centre square (of the Jail) is ventilated by the large open grating facing the sea; but unfortunately it is only a small portion of the Jail which benefits by this, even this part only while the sea-breeze blows."

I shall feel very much obliged by the Principal Inspector General sending this letter, or an extract from it to Government, that the omission in my report may be at once remedied.

No. 282. ORDER THEREON, 29th July 1863, No. 1,224.

To be recorded.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
