*Proceedings of the Madras Government, Judicial Department,
31st July 1863.*

No. 294. Read the following letter from Lieutenant Colonel W. J. WILSON, Commissioner of Police; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 30th July 1863, No. 103.

I have the honor to request that in consideration of the circumstances hereunder-mentioned you will be good enough to procure the remission of the unexpired portion of the sentence of a Ship's Carpenter named John Cameron, now in the Penitentiary, who was convicted of an assault on the 22nd May last, and the term of whose imprisonment will expire on the 12th proximo.

2. It appears from a Certificate signed by the Assistant Master Attendant, and a copy of which is annexed, that the Ship "Earl of Hardwicke" sustained considerable injury on the voyage from England, I am also informed by her Commander that the repairs cannot be executed except by a Ship's Carpenter, and that he is not able to procure the services of any such person except those of the prisoner in question.

Certified hereby that, after hearing Captain Maddison's statement of the injuries sustained by the "Earl of Hardwicke" during bad weather experienced on her passage from England to this port, I am of opinion that the said vessel is in urgent immediate need of a Carpenter, and cannot be considered properly seaworthy until duly repaired.

(Signed) J. B. CROWTHER,
Assistant Master Attendant.

July 29th, 1863.
