*Proceedings of the Madras Government, Judicial Department,
7th August 1863.*

No. 29. Read the following letter from M. J. WALHOUSE, Esq., Acting Magistrate of Trichinopoly; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, Judicial Department, dated Trichinopoly, 4th July 1863, No. 95.

1. The Cantonment Joint Magistrate of Trichinopoly has applied to me for the office furniture, mentioned in the enclosed list, the estimated cost of which amounts to Rupees 170.

2. Captain Palmer, who prepared the estimate, has informed me that he has allowed for the furniture being well made of the best Teak wood, and that it is probable that the articles in question can be made up for a less sum.

3. The provision made in the current year's Budget for the office contingencies of the Joint Magistrate is, as will be seen from the Accountant General's letter to Government quoted in the margin,* too small to admit of the proposed expenditure being met therefrom. Should there be other source available, I request that the requisite sanction may be obtained to carry out the work.
