PROCEEDINGS OF THE BOARD OF REVENUE, dated 24th June 1863.

Read the following letter from the Honorable R. S. ELLIS, C. B., Collector of Madras, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Saidapet, 17th June 1863, No. 216:—

1. With reference to the Proceedings of the Board of Revenue dated the 19th May last, No. 2,956, forwarding a List of Military buildings, temporarily in charge of the Police and other Civil authorities, and requesting to be informed whether any of these buildings are required for the use of the Revenue Department, I have the honor to state that of the two buildings at Chingleput the building formerly used as the Sepoy's hospital is now occupied by the Sub-Magistrate as his Office, there being no other suitable building available. I would, therefore, suggest that the necessary sanction be obtained for these buildings being appropriated for the Sub-Magistrate's Office.

2. The other building, the old Sepoy's barracks, is used at present by the European Head Constable of the Jail Police party. There is no house in Chingleput that can be rented for this Police officer, and as it is very desirable that he should live as near the Jail as possible, the Superintendent of Police is anxious that permission should be obtained to the occupation of the building as at present. This building is not, I believe, required for any other public purpose, and I see no objection to a compliance with Captain Cloete's request.

Submitted for the information and orders of Government, with reference to their Proceedings dated 12th May 1863, No. 814, Revenue Department.

Nellore	Nellore	Hospital	For an Infirmary.

3. 4. The Acting Collector of the Godavery District states (Board's Proceedings dated 24th June 1863, No. [illegible]) that the Deputy Collector stationed at Ellore reports that the Military buildings at that place, mentioned in the Order of Government in the Military Department, are unsuitable for use in the Revenue Department. The Deputy Collector's Cutcherry is at present held in a building rented for Rupees 12, and the Government wish to know whether in lieu thereof one of the buildings named in the margin cannot slightly be altered and converted into a Cutcherry. The Board will call upon the Collector to submit rough plans of these buildings, as also of the Office of Arms and Store Room, and report in what respects the Deputy Collector considers them unsuitable. The distance of the several buildings from one another should be stated. The Acting Collector is silent as to the buildings at Rajahmundry. The Head Assistant Collector who is stationed there draws extra tentage all the year round, because no building is available for the accommodation of his Cutcherry. Mr. Morris will report whether either or both of the buildings at that place cannot be converted into an Office. He will submit rough plans of them.
