Proceedings of the Madras Government, Judicial Department,
21*st August* 1863.

No. 186. Read the following letter from THOMAS WILKINS, Esq., Deputy Registrar of the High Court of Judicature at Madras; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 15th August 1863, No. 91.

1. I am directed by the Chief Justice and Judges of the High Court to report that the Civil and Session Judge of Tanjore having, in a late communication, intimated the want of sufficient accommodation for the custody of the records of his Court, was called upon to state whether it would not be possible to reduce the bulk of those papers by the temporary employment of a small establishment to examine and destroy such of them as were useless. To this requisition he replied that as the destruction of the useless records was already in progress under a recent order of this Court, that object might be accomplished without any expense to Government by his Court establishment.

2. Finding, however, that the work in question is proceeding at a less rapid rate than anticipated, the Civil and Session Judge has now applied for sanction for a small temporary establishment for the above purpose, and considers that the entertainment of four Gomastahs on Rupees 10-8 each per mensem, for the space of one year, will enable him, with the help of the establishment already at work, to reduce the enormous mass of records very considerably, and thus, by diminishing the bulk of the whole, speedily to put an end to the inconvenience felt in consequence of a portion of the records being still retained at Combaconum while the rest are in the Court House at Tanjore.

3. Under these circumstances, I am directed to recommend that the sanction of the Supreme Government be obtained for the proposed establishment for one year, for which an application in the prescribed tabular form accompanies this communication.

4. I am also directed to add that with the fixed establishment now under his orders, the Civil and Session Judge of Tanjore will be instructed to arrange that the labors of the four Gomastahs applied for be superintended by an Officer of superior rank, capable of exercising discretion in the matter.

No. 187. ORDER THEREON, 21st August 1863, No. 1,354.

The *Governor in Council* sanctions the employment of four Gomastahs on (Rupees 10½) ten Rupees and eight Annas each per mensem, to aid in destroying the useless portion of the records of the Zillah Court of Tanjore.

2. Subject to the confirmation of the Government of India, this sanction will extend to one year.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
