Proceedings of the Madras Government, Judicial Department,
27th August 1863.

No. 235. Read the following letter from Captain O. W. S. CHAMBERS, R. E., Superintending Engineer, 1st Division; to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, Chepauk, dated Waltair, 8th August 1863, No. 754.

I do myself the honor of submitting an estimate and a plan of two wells proposed to be sunk near the Jail and new Court House at Berhampore, and of recommending that the work, calculated to cost 880 Rupees, may find a place in the Budget for 1864-65.

Enclosures 3.
1 Plan.
1 Estimate.
1 Judge's letter.

2. By the subjoined letter from the Civil and Session Judge at Chicacole it will be apparent that the wells are very necessary; but as the Jail will not be finished before May next, and as the Court House is not yet sanctioned, they need not be sunk during the present official year.

No. 231 of 4th August 1863.

3. The estimate has been checked with respect to rates and quantities in this office; considering the depth the wells have to go down, it is moderate.

Referred to the Judicial Department.

Secretary to Government.

No. 236. ORDER THEREON, 27th August 1863, No. 1,389.

The Governor in Council sanctions the construction of two wells near the Jail and Court House at Berhampore at a cost of Rupees (880) eight hundred and eighty. These wells should be begun at once and the cost defrayed from this year's Budget; and every effort should be made to complete both the Jail and the Court House by May next year. The estimate for the latter was sanctioned under date the 24th July last.
