Proceedings of the Madras Government, Judicial Department,
10th September 1863.

No. 82. Read the following letter from T. J. KNOX, Esq., Civil Judge of Chicacole; to J. D. SIM, Esq., Secretary to Government, Fort Saint George, dated Chicacole, 4th August 1863, No. 233.

1. I have the honor to request that Government will be pleased to order that Nos. 107 and 108 of the Trigonometrical Survey Map be forwarded me for the use of this Court.

2. I applied to the High Court on this matter and was informed that "if the possession of "a map is absolutely necessary to perform my duties, I should purchase one and enter the cost "in the Contingent Bill."

3. I am however of opinion the Civil Paymaster would not allow a map to appear in the Contingent Bill, and it is in every way easier if the Government would direct that the Superintendent of Stationery should send me one.

4. I may add that I do require a map to enable me to understand the extent of this Court's present jurisdiction and of the jurisdiction of the various Munsiffs lately transferred from the Agency tracts, no satisfactory arrangements as to these Courts' jurisdiction can be made unless I have a map to guide me.
