Proceedings of the Madras Government, Judicial Department, 19th September 1863.

Read the following papers:—

No. 151. Proceedings of Government in the Public Works Department, dated 28th August 1863, No. 2,492.

Communicating sanction to the request of Superintending Engineer, 6th Division, for the removal of the machinery of the Division from Tranquebar to Trichinopoly in a house to be built there from the proceeds of the sale of the present Store house at Tranquebar. (Vide Proceedings Public Works Department, dated 28th August 1863, Nos. 672 and 673.)

No. 152. From Lieutenant Colonel J. TEMPLE, Acting Assistant Inspector General of Madras Police; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 12th September 1863, No. 2,410.

General Department.

In reply to your Memorandum, No. 256, dated 4th September 1863, I have the honor, in the absence of the Inspector General of Police, to report that the building at Tranquebar referred to in the Proceedings of Government, dated 28th ultimo, No. 2,492, is not required for Police purposes.

Lieutenant Colonel Temple's letter will be communicated to the Public Works Department, with reference to paragraph 2 of Order therefrom of the 28th ultimo, No. 2,492.

Proceedings of the Madras Government, Public Works Department, 28th August 1863.

No. 672. Read the following letter from Captain E. A. FOORD, R. E., Superintending Engineer 6th Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Tanjore, 15th August 1863, No. 409:—

SIR,

1. I have the honor to request that I may be authorized to remove the machinery and stores of the Tanjore District to Trichinopoly.

I List of machinery.

2. The Stores have been kept for some years in a house formerly belonging to the Danish Government, about a mile from the Fort of Tranquebar. The head quarters of the District are at Tanjore, a more important and more central place.

3. The head quarters of the 6th Division are also at Tanjore, but I recommend the removal of the machinery and stores to Trichinopoly because there is no place to put them in at Tanjore, while an office and Store-room have been built at Trichinopoly, and the machinery is much more likely to be of use at the latter place, where there is always work in progress, than at the former.

4. The Store-keeper has little or nothing to do at Tranquebar, but if he were sent to Trichinopoly he could take charge of the stores there and be of great use in the work yard.

5. If the building in which the stores have been kept up to this time at Tranquebar is not required for another Department, I recommend that it be sold. It has a large garden attached to it, and the amount that it would sell for would probably be sufficient to build a good office at Tanjore for the Superintending Engineer and Executive Engineer.

No. 673. ORDER THEREON, 28th August 1863, No. 2,492.

1. Under the circumstances stated, the Government accede to the recommendation contained in paragraph 3 of the foregoing letter.

2. Reference will be made to the Revenue and Judicial Departments to ascertain whether the building referred to in paragraph 5 will be required by those Departments.
