No. 40. Read the following letter from Lieutenant Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division; to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 26th September 1863, No. 2,643.

With references to the Proceedings of Government, No. 2,118, dated 29th July 1863, I have the honor to forward a plan and estimate, Rupees 3,700, for constructing an additional room with a semi-terraced verandah on three sides of it, and making certain other alterations in the lower story, also for building wooden verandahs on the east, south, and west sides of the upper story of the Office of the Commissioner of Police.

Enclosures.
1 Letter from Executive Engineer, Presidency, No. 392, 12th August.
1 Plan.
1 Abstract Estimate, 3,700 Rupees.
1 Specification.

2. In Captain Prendergast's letter embodied in the Proceedings referred to, Rupees 3,270 was mentioned as the probable cost of the works above specified; but that Officer now explains that since he framed that estimate, the cracks in the walls of the south-east verandah room had increased to such an alarming extent as to indicate radical faults in construction, which could not be rectified by the ordinary process of buttressing only, as he had at first contemplated; and this led to the provision of items for the total re-construction of the parts of the building affected.

3. The additional room approaches completion, and the verandahs remain to be constructed.

4. There is no provision whatever for this work in the Budget, and I have the honor to solicit that a special grant for the same to the amount of Rupees 3,700 may be made out of the Reserve Fund.

Referred to the Judicial Department with reference to the Order in that Department, No. 1,183, 22nd July 1863.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government, P. W. D.
