Read the following papers:—

No. 48. From R. W. LODWICK, Esq., Acting Deputy Auditor and Accountant General, Madras; to the Chief Secretary to the Government of Madras, dated Fort Saint George, 25th August 1863, No. 172.

I have the honor with reference to the accompanying Transfer Statement, to call attention to the original letter* from Colonel Temple, annexed for information, and to state that the amounts entered in both the Statements† A and B forwarded by that Officer, should be transferred to the Police Department.

* To be returned.

† To be returned.

2. Colonel Temple in paragraph 3 of his letter objects, it will be seen, to this course, giving for his reason that the items in Statement B are of an uncertain and contingent nature, but the Order of the Government of India, No. 3,496, vide G. G. of 18th instant, does not allow of this course as will, I think, be evident by a reference to its 4th paragraph and the Police Act.

3. The sum of Rupees 7,738 has been omitted from my Transfer Statement, as I am unable to check it; but I learn from inquiries instituted in the Controller's office that Rupees 6,394 were estimated for, but were disallowed by the Military Finance Department.

No. 49. From W. ROBINSON, Esq., Inspector General of Madras Police; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 3rd August 1863, No. 2,026.

Account Department.

I have the honor to acknowledge receipt of Government Order, dated 21th July 1863, No. 1,190, publishing the Proceedings of the Government of India on the estimates of Police expenditure for 1863-64.

2. The Supreme Government have accepted the estimate submitted with my letter, No. 642, dated 17th March 1863, wherein under the orders of Government, dated 25th February 1863, I had revised and consolidated the Budget of the Madras Constabulary, and reduced it within the limit prescribed, viz., 39,00,000 for all services.

3. In order to effect that reduction among other measures, I had struck out (vide paragraph 14 of my letter) all provision for Treasure escorts (originally standing at Rupees 27,660) and Guards for the Civil and Criminal Courts (Rupees 20,236) intending the former duties to be performed by the General Police without charge, and in regard to the latter to introduce a system of guarding by the Town or Jail Patrols, which plan has since met with the sanction of Government under date 22nd April 1863, No. 620, Judicial Department, and is now in full operation.

4. The Supreme Government having apparently disposed of the Budgets of the other Public Departments before my revised Budget came under review, and having allowed the several appropriations for Police Guards as originally contemplated, of course deducted the same amount from the Budget of the Police.

5. As however these duties are provided for in the revised Budget in a different manner, and the deduction as now made actually affects the payment of the General Police, I have the honor to request the sanction of the Supreme Government may be obtained for these items, Rupees 27,660 from Revenue, and Rupees 20,236 from Law and Justice, to be transferred to the Police.

6. The other items alluded to in the same paragraph of my letter are very small, and the duty is being performed in the same manner as before; it is therefore unnecessary to make any change in reference to them.

(True Copy.)
(Signed) J. TEMPLE, Lieut.-Colonel,
Ag. Asst. Inspr. Genl. of Madras Police.

Forwarded for explanation of the items "Courts" and "Escorts" in Statement marked A.

From Lieutenant Colonel J. TEMPLE, Acting Assistant Inspector General of Madras Police; to R. W. LODWICK, Esq., Acting Accountant General, Fort Saint George, dated Madras, 20th August 1863, No. 2,181.

Account Department.

With reference to paragraph 6 of the Resolution of the Supreme Government, No. 3,496, published in the Fort Saint George Gazette of the 18th instant, I have the honor to forward two Statements of the sums taken for Police in other Departmental estimates, and which have been deducted from the Police Department allotment by Resolution, No. 2,929, dated 23rd June 1863, of the Supreme Government.

2. Statement marked A exhibits the cost of Guards permanently and continuously maintained for the services specified respectively, and in respect of these, the instructions of the Supreme Government can be carried out in their integrity.

3. Statement marked B exhibits the sums estimated for services of an uncertain and contingent nature and which cannot equitably be transferred in a lump sum as the duty may never fall to be done, nor on the other hand is the Police Department prepared to promise performance of *all* duties of that nature that may hereafter be demanded *for* that sum, as the demand may be excessive: I would therefore suggest that these fall under the operation of paragraph 4.

Proceedings of the Madras Government, Judicial Department, 6th October 1863.
