FROM

A. J. ARBUTHNOT, Esq.,
Chief Secretary to the Government of Fort Saint George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

In continuation of my letter of the 14th ultimo, No. 457, I am directed by the Governor in Council to transmit, for submission to the Honorable the President in Council, the accompanying four Statements of charges on account of Salaries, Establishments, and Contingencies sanctioned by this Government within the amount of the Budget grants for 1862-63, during the month of May last.

Revenue Department.
Public do.
Ecclesiastical do.
Judicial do.

2. A Statement of transfers of grants within prescribed limits sanctioned by the Madras Government during the month of May is also submitted.

I have the honor to be,

Your most obedient Servant,

FORT SAINT GEORGE,
7th August 1863.

Chief Secretary.

Exd. T. McMoetry.

FINANCIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from E. H. LUSHINGTON, Esq., Secretary to the Government of India, Financial Department; to the Chief Secretary to the Government of Fort Saint George, dated Fort William, Council Chamber, the 10th September 1863, No. 4,442.

In reply to your letter,* No. 503, dated 7th August 1863, I am directed to state that the Honorable the President in Council is pleased to confirm the charge of Rupees (20) twenty per month, for the Taluq Tappal establishment in Malabar, for the period that it lasted, and the revision of the establishment of the Court of Small Causes at Cuddalore.

* Submitting Returns for May 1863.

2. The items relating to Mr. Pelly's revision of establishments call for no orders pending the submission of his scheme.

3. The other arrangements reported have been separately sanctioned.

4. It is not clear from the Statement of transfers of grants, whether the savings, therein specified, from the Budget of 1862-63, have been appropriated in adjustment of payments of that year, or towards fresh payments in 1863-64, on account of 1862-63; if the former, the transfers are approved; if the latter, they are opposed to the new rule, that the portions of grants for any year which remain unexpended at the end of that year, lapse absolutely as regards the power of appropriating them towards fresh payments in an ensuing year.

5. I am to note also, that the transfer so early in the year to the establishment for Meteorological observations at Secunderabad of the Library allowance for the Central Museum, indicates that the estimate for that Museum was inserted in the Budget without a careful revision of it by the Officer who is responsible for the expenses of the Museum.

ORDER THEREON, 6th October 1863, No. 646.

Ordered to be communicated to the Revenue, Judicial and Public Departments; and also to the Civil Paymaster, whose attention is drawn to the remark contained in paragraph 4.
