MEMORANDUM.

In reference to Memorandum, No. 320 of date 29th ultimo, from the Chief Secretary to Government, Judicial Department, the Principal Inspector General Medical Department, has the honor to forward a Statement showing the whole Medical Establishment at Ootacamund with the allowances drawn by each Medical Officer and Subordinate, menial attendant, &c., payable in the Civil Department.

OFFICE OF PRINCIPAL INSPECTOR GENERAL, MEDICAL DEPARTMENT, FORT SAINT GEORGE, *9th October* 1863.

(Signed) ROBERT COLE,
Principal Inspector General Medical Department.

No. 118. To the Secretary to the Government of India, Home Department, dated Fort Saint George, 15th October 1863, No. 1,649.

With reference to the enclosed correspondence, I am directed to request that the sanction of the Government of India may be given for granting an allowance of Rupees 50 per mensem to the Medical Officer in charge of the Jails at Ootacamund.

Proceedings of Government, 24th August 1863, No. 1,370.

2. It will be seen from the report of the Inspector General of Hospitals, sent herewith, that the European Jail has been grossly neglected by the Medical Officer lately in charge. Another Officer is now in Medical charge of both the Jails, and it is hoped that the notice which has been taken of Dr. Stewart's negligence will prevent similar inattention in future ; but there can be no question that the Medical charge of these Jails adds considerably to the work of the Medical Officer entrusted with it, and the Governor in Council thinks it desirable that he should receive some special remuneration for this part of his duties.

3. In future the Governor in Council will select whichever he may consider the more efficient of the two Medical Officers stationed at Ootacamund for the charge of the Jails.

4. A Tabular Statement in the prescribed form is sent herewith.
