I am directed to acknowledge the receipt of your letter, dated the 3rd instant, No. 1,421, and in reply to state that, in communicating to the Governor of the Straits Settlement the consent of the Madras Government to the experimental adoption of the arrangement forming the subject of that letter, the Government of India has called Colonel Cavenagh's special attention to the necessity of giving timely notice to the Madras Government of the probable time of arrival and number of each batch of Convicts transported to Madras.

2. Adverting to the remark with which the 2nd paragraph of your letter concludes, I am desired to intimate that the plan of sending Convicts from the Straits Settlement to the Andaman Islands has been considered by the Government of India and found to be at present impracticable.
