Account Department.

I have the honor, with reference to Government Order, No. 1,494, dated 17th September 1863, to request that sanction may be accorded for the construction of a Police Station at Palasa in Ganjam, for which I enclose an estimate in substitution of one at Sharragooden.

2. The Station of Palasa completes the chain through the District and provides for the safe custody of all prisoners passing from Berhampore to Chicacole.

3. As funds are needed in other Districts, the construction of a Station House at Sharragooden must be postponed.

No. 142. ORDER THEREON, 21st October 1863, No. 1,671.

The Governor in Council sanctions the construction of a 2nd Class Station House at Palasa in the Ganjam District at an estimated cost of Rupees 965.
