Not to be folded or roughly handled

Proceedings of the Madras Government, Judicial Department,
22nd October 1863.

No. 151. Read the following letter from J. GARRETT, Esq., Canarese Translator to Government; to the Chief Secretary to Government, Fort Saint George, dated Bangalore, 14th October 1863, No. 67.

1. I have the honor to submit the following statement respecting the printing of the Canarese Translation of the Acts.

2. The annual contract with the Wesleyan Mission Press terminated last month, and in accordance with the Order of Government of 4th December 1862, No. 1,962, that the contract should correspond with the Budget year, I wished the Superintendent of the Press to continue the printing until April next.

3. This he declines to do at last year's rates (Rupees 2-8 per page) and will only undertake the work on the terms of the previous year (Rupees 3 per page).

4. In these circumstances I applied to the Mangalore Mission Press, whose tender for the work had been nearly the same as that of the Wesleyan Press; but the present Superintendent there considers that Rupees 2-8 per page would not be remunerative.

5. The Native Presses in Bangalore from which tenders have been received, have lately printed editions of the Penal and Criminal Procedure Codes for sale, but the typography is neither pleasing nor accurate.

6. I therefore beg to recommend that Rupees 3 per page be paid as before, to the Wesleyan Press, at least until the close of the Budget year, when the usual advertisements for tenders may again be published.

No. 152. ORDER THEREON, 22nd October 1863, No. 1,677.

The Canarese Translator is authorized to contract for the printing of the Canarese Translations of the Acts, at the increased rate of Rupees (3) three per page, for the rest of the current Budget year.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
