**MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.**

Read the following papers :—

From the Secretary to the Government of India, Military Department, Fort William, 5th December 1862, No. 194 ; to the Secretary to Government, Military Department, Fort Saint George.

With reference to letter from this Department, No. 748, dated 22nd July 1862, I am desired to transmit, for the information of His Excellency the Governor in Council, the accompanying copy of a Military letter from the Right Honorable the Secretary of State for India, No. 398, dated the 23rd October 1862, intimating that, pending the introduction of the proposed Bill in Parliament, embracing the whole subject of the administration of the Estates and Effects of deceased Officers and Soldiers, the present mode of dealing with Estates in India should not be disturbed.

From the Right Honorable the Secretary of State for India, India Office, London, 23rd October 1862, No. 398 ; to His Excellency the Right Honorable the Governor General of India in Council.

Your Military letters, noted in the margin, request early instructions on the subject of the mode of dealing with the Estates of deceased Officers and men transferred from Local to General Service.

2. This matter has received full consideration from Her Majesty's Government, and the apparent delay in disposing of it has been occasioned by the necessity which exists for obtaining the sanction of Parliament to some of the proposals, which have been submitted by a Committee appointed to consider the question, and which have been approved.

3. The Secretary of State for War has intimated his intention of submitting a Bill to Parliament, embracing the whole subject of the administration of the Estates and Effects of deceased Officers and Soldiers. This measure will assimilate the practice throughout the different Departments of the Government.

4. Pending the introduction of the proposed Bill, the present mode of dealing with Estates in India should not be disturbed.
